FLOOR TILES

These floor tiles are durable, weather-resistant tiles designed for external areas like patios, terraces, walkways, and pool decks. Made from the finest materials, these tiles are engineered to withstand varying climates, moisture, and heavy foot traffic. These tiles feature non-slip textures for safety and come in a range of styles to complement any landscape or exterior design. They combine functionality with aesthetics, providing both a practical and attractive solution.

- Colours in the catalogue are as accurate as printing process allows. please check actual tile sample before making the final selections.
- Sizes mentioned in the catalogue are nominal sizes only.
- No claim will be entertained once the tiles are fixed.
- For better laying, please follow the instructions on the packaging box.
- Please make sure to check the shade/finish with the sales agent/ dealer before making the final purchase because there might be variation in actual finish that shown in the catalogue. The company will not bear any loss in such case.
